The Northwest Network of Trans and Queer Survivors

Description: From housing, food banks and legal assistance to mental health programs and LGBT social support groups, NW Network advocates connect survivors and their families all over the U.S. with the resources that meet their unique needs. Our direct services are all free and confidential. We also offer resources for organizations and providers working in the field. The NW Network offers emergency and ongoing advocacy-based counseling centered on survivors' choices and self-determination. Advocates offer survivors consistent, ongoing support to build skills, choices and strategies to reduce harm, as well as rebuild connections to friends, family and community. We work to get survivors connected to skilled, LGBT-competent legal resources when necessary.
